

How do I get a quote?

- **Already got a plan/quote from elsewhere..** Visit *or* Email us with the info for a fast-track quote.
- **Bring in your dimensions..** Make an appointment to sit down with a us to generate a design.
- **Book a home survey..** Pop into our showroom then we can then make an appointment for a designer to come and see you. (Home appointments are booked in person only)

How do our prices compare to the big stores?

- Our prices are very competitive & compete with most national retail AND trade outlets.
- We are continually monitoring competitors comparing prices
- The feedback from customers is that our quote was the most competitive or certainly the most favourable, especially with the quality & service we offer.

What does an 'average' kitchen cost?

- This is difficult for us to answer as every kitchen and customers requirements are different.
- We supply kitchens from £2000 upto £30,000
- If customers give us a guide of their budget this makes it a lot easier for us to achieve the best proposal & outcome.

What installation services do you provide?

- **We provide the complete package...**making it as easy & hassle free as possible.
- Building works, removal & disposal of existing kitchen, electrics, plumbing, gas, plumbing, plastering, tiling, decorating, flooring....even dog sit while you are at work!
- Unfortunately you have to put everything back in the cupboards yourselves... sorry! lol.

How long would it take to install?

- Difficult to answer again until we know whats involved and required.
- Its unusual nowadays that a kitchen installation is less than a week.
- Majority of our kitchens are 7-14days from start to finish

Do you offer finance?

- Unfortunately we dont...this enables us to offer consistently low prices!
- We do accept most major credit cards.
